Subject - Non-official President to the Mandya Town Municipal Council

With reference to your letter No L 5853/M1 139-42-1 dated 11-12-1942 asking me to furnish my opinion on the promise made by the Government in the Representative Assembly (Budget Session 1942) regarding the extension of the privilege of having a non-official President to the Mandya Town Municipal Council and on a petition presented to the Dewan by certain members of the Municipal Council on the same subject, I have the honour to state that I also agree with the considered opinion given by my predecessors Mr B S Raghavendra Rao and Mr C M H Ranajodha Singh, in their letters addressed to you on this subject, that the privilege may not be extended to the Mandya Town Municipal Council for some time to come

2 Mandya Town is in a peculiar position as after the advent of the Irwin Canal and the Sugar Factory and particularly after it became a District Head Quarter Town it has grown very rapidly Even now it is growing rapidly and it is necessary that the extension should

be allowed to develop on well laid out plans and the larger interests of the town should not be sacrificed for the sake of transient popularity To mould the town into a well designed shape it is very necessary to have as President an Officer who can carry out the schemes on an impersonal basis uninfluenced by local politics Recently there has been a lot of agitation by some of the Municipal Councillors that the Town Improvement Plan drawn up by the Bureau of Sanitary Engineering as per recommendations of Mr C H Krumbeigal should not be strictly adhered to as it would lead to hardship to the poorer classes The Official President is finding it difficult to adhere to the plan in spite of this move and if a non-official President is given at this juncutre it is not unlikely that the plan will be ignored to give some temporary relief to a few people, and thus the ordered development of the Town will be sacrificed Hence it is desirable to have a large measure of official control over the day to day administration of the Municipality until the town has reached a fairly stable condition

3 The finances of the Municipality are also not very sound as the expenditure has increased by nearly Rs 7,000/- per annum by the grant of dearness allowance while there is a fall in the income under toll and octroi The balance in the District Treasury has been below the minimum of Rs 5,000/- for the last few months and it is with some effort that sufficient funds are collected to meet the establishment charges

every month A sum of about Rs 4,500/- is due to-towards the maintenance charges of the water works and one acquisition record is held up for nearly 8 months, on account of the inability of the Municipal Council to deposit the compensation I feel that it is not desirable to hand over the administration to non-officials when the financial condition is so bad

4 Ever since the constitution of the Sugar Town Board in 1939 some boundary questions are pending settlement between the Municipal Council and the Town Board and the settlement of these questions will becom difficult if the President is anon-official The question of levy of toll on Sugarcane carts has very often been raised and as the Municipal Council gets nearly Rs 12,000/- per year under this head it appears desirable to have a definite agreement between the two bodies before the privilege of having a non-official President is conceded to the Municipal Council

5 The present Municipal Council has two bitterly opposing factions and even the recent bye-elections have not in any way changed the situation While on the previous occasions when a resolution requesting Government to concede the privilege of having a non-official President was moved it was passed unanimously by all the non-official members present certain members representing important minorities, are now of opinion that the question of having a non-official President may be taken up

only after the term of the present Council expires in February 1944. A copy of the report of the Municipal President together with an extract from the proceedings of the meeting held on 27-12-1942 is enclosed for perusal

6 In view of the rapid growth of the town which is still continuing, in view of the unsatisfactory financial condition, in view of the several problems remaining to be settled between the Municipal Council and the Sugar Town Board, and most important of all, in view of the recent opinion expressed by the members representing important minority communities at the meeting held on 27-12-1942, I am of opinion that the present system of having an - official President to the Municipal Council must continue at least till the Council is reconstituted in 1944

Sir,

I have the honour to state that Mr M V Anantharama Bhatta moved the following resolution at the ordinary general meeting of the Municipal Council held on 27-12-1942 "ಮುನಿಸಿಪಾಲಿಟಿ ಅಧ್ಯಕ್ಷರು ಅಧಿಕಾರೇತರ ವ್ಯಕ್ತಿಯಾಗಿರಬೇಕೆಂಬ ನಿಯಮವನ್ನು ಕೂಡಲೇ ಜಾರಿಗೆ ತರಬೇಕೆಂದು ಈ ಸಭೆಯು ಅಭಿಪ್ರಾಯಪಡುತ್ತದೆ" During the discussion Messrs Abdul Basith, K Kempegowda and M C Chaluviah opined that there was no urgent need to have a non-official president and that the question may be taken up after council is reconstituted in 1944 after the expiry of its term When the resolution was put to vote Messrs M Abdul Basith, K Kempe Gowda and M C Chaluviah opposed it while the other non-official members (9 in number) supported it I and the Executive Engineer, Mandya Division, remained neutral, being official members An extract from the Proceedings book is enclosed for kind perusal

I may however add that though the resolution had been brought up before the council a number of times during the last two years, this is the only occasion when a definite cleavage of opinion was noticed among the non-official members The resolution was passed unanimously by all the non-official members on all the previous occasions

I have the honour to be
